WELCOME!

Many of the most rewarding and memorable experiences students have come from involvement in extra-curricular activities. Deerfield High School offers a wide variety of such opportunities through our various clubs and organizations. This handbook will give you a peek at all that we have to offer. Our extra-curricular programs promote confidence, teamwork, greater academic success and responsible social behavior. They also offer an opportunity for students to develop new relationships within the building and in the Deerfield High School community.

There is an activity for every Deerfield student who chooses to become involved. Some groups have a history within our school, while other clubs have been formed more recently to meet the changing interests of students. Faculty and staff encourage Deerfield High School students to get involved and participate in any or several organizations of interest.

Your high school years will pass extremely fast, however, friendships you develop and memories you make will last a lifetime. Get involved and make your high school years memorable, both for yourself and the many lives you will touch!

Sincerely,

Brian Verisario

SPANISH HONOR SOCIETY

Sponsors Elizabeth Mansfield & Glorianne Gordils

The object of the Sociedad Honoraria Hispánica, sponsored by the American Association of Teachers of Spanish and Portuguese, is to stimulate interest in the study of Spanish, to promote higher standards of scholarship, to reward high scholastic achievement, to create enthusiasm for an understanding of Hispanic cultures and civilizations, and to promote and perpetuate international friendship.

Juniors and seniors with outstanding achievement in Spanish qualify for admission. At the Induction Ceremony, students showcase their talents in Spanish by singing, dancing, playing an instrument, reciting poetry or acting in skits. Students may also organize events to gather funds to benefit a charity. During the holiday season we participate in a charity drive and donate to a variety of causes as chosen by current members.
