## Adult Education Newsletter

### MARCH 2024 UPCOMING EVENTS

Dear Adult Education Students,

I hope you're doing well! As we near the end of another term, I wanted to talk to you about two important things: post-testing and pre-registration for next year. Post-testing helps us see how much progress you've made. It's not just about scores; it's about celebrating your growth and figuring out where you can improve. Please approach the post-testing process with confidence and remember that your efforts matter.

Now, looking ahead to next year, pre-registration is key as our program has grown significantly. It ensures you will have a reserved spot and select the classes you need to keep learning and growing. Whether you're continuing with what you've been studying or trying something new, we're here to help you succeed.

Additional information will be shared with your teachers to provide you with further details about pre-registration. You all are encouraged to pre-register in May and June of 2024 to guarantee your seat. Each in-person class will be given a designated date and time to complete the registration and testing process in May. All online classes will be assigned a week in May or June to select their preferred testing appointment. With that in mind, please follow your teachers' guidance about next year's registration process.

I want to thank each of you for being part of our community. Your dedication to learning inspires us all. As we get ready for the next chapter, know that we're here to support you every step of the way.

Best wishes,

**Reni Mitkova,**

Queridos alumnos de educación para adultos,  
¡Espero que estén bien! A medida que nos acercamos al final de semestre,, quería hablarles sobre dos cosas importantes: las pruebas posteriores y la preinscripción para el próximo año. Las pruebas posteriores nos ayudan a ver cuánto progreso han hecho. No se trata solo de puntajes; se trata de celebrar su crecimiento y descubrir dónde pueden mejorar.

Por favor, enfoquen el proceso de pruebas posteriores con confianza y recuerden que sus esfuerzos son importantes. Mirando hacia el próximo año, la preinscripción es clave ya que nuestro programa ha crecido significativamente. Asegura que tendrán un lugar reservado y podrán seleccionar las clases que necesitan para seguir aprendiendo y creciendo. Ya sea que continúen con lo que han estado estudiando o prueben algo nuevo, estamos aquí para ayudarles a tener éxito.

Información adicional será compartida con sus profesores para brindarles más detalles sobre la preinscripción. Se les anima a preinscribirse en mayo y junio de 2024 para garantizar su lugar. Cada clase presencial recibirá una fecha y hora designadas para completar el proceso de inscripción y pruebas en mayo. Todas las clases en línea recibirán una semana en mayo o junio para seleccionar su cita preferida para las pruebas. Con eso en mente, por favor sigan la orientación de sus profesores sobre el proceso de inscripción del próximo año.

Quiero agradecerles a cada uno de ustedes por ser parte de nuestra comunidad. Su dedicación al aprendizaje nos inspira a todos. Mientras nos preparamos para el próximo capítulo, sepan que estamos aquí para apoyarlos en cada paso del camino.

Mis mejores deseos,

**Reni Mitkova,**

**After hard work and dedication, I've achieved this milestone!**

I am grateful for the opportunities ahead and proud to be a part of this diverse nation. I am from Moldova and I have lived in the U.S. since February 2018.
