## Bollard Project – Addendum 4

### Questions and Reponses

January 21, 2022

**Q:** Is a bid bond required?

**A:** Not for this project

**Q:** What are the Insurance requirements?

**A:** Please supply a certificate of your liability insurance with your bid

**Q:** Are the internal bollards already set? If so, what is the outside diameter and the height of them?

**A:** Please reference the spec stated in the bid

**Q:** We would not be able to provide the internal bollard manufactured from carbon steel, but we can provide the covers – Our covers are not impact rated but strictly decorative. Please advise if this is acceptable

**A:** Yes

**Q:** If the internal bollard is 6.625" OD we would provide a cover that is 8.625" OD (7" pipe is not available) Is this acceptable?

**A:** Yes

**Q:** on the Bid Form it states, "price per stainless steel bollards". Should this price include labor charges?

**A:** Yes

**Q:** The bid form states "removable bollards". What type of removable bollards are you looking for?

**A:** We are just looking to explore alternatives. Please provide specs and any related information for bollards

**Bid due date remains**

**Jan 25, 2022 11:00am (CST)**
