December 2019

Dear District 113 Parents and Guardians:

You may be able to assist us in securing federally allocated funds to which we are entitled. We are eligible to receive compensation for "federally supported" students. These funds have been approved and allocated by the creation of the Impact Aid Bill.

The term "federally supported" describes families that fall in to **minimally one, but possibly more**, of the following categories:

- Child **resides on federal property** with a parent/guardian employed on federal property situated in whole or in part within the boundaries of the school district.
- Child resides with a parent/guardian who is an **accredited official of a foreign government and a foreign military officer**.
- Child has a parent/guardian who is **active (or reserve) duty in the uniformed military service** of the United States.
- Child resides in **federally subsidized low-rent housing**.
- Child resides with a parent/guardian who **works on federal property**.
- Child resides with a parent/guardian **employed by the federal government**

Township High School District No. 113 may receive federal support for regular and special education students for the 2018-2019 school year.

If you believe that you may fall under one of the above mentioned categories, we are asking you to please complete the attached form and return it by **December 20, 2019** to your student's school office. Township High School District No. 113 **will not** receive the additional funding without the completed form.

Please, reread the bullet points above and think about neighbors or other families who reside within the District 113 boundaries who could answer yes to one or more of the stated categories, then encourage them to complete and return the form. These funds will help us continue to provide your student(s) with a quality education.

If you have any questions, please contact Norma Aguilar at 224-765-2007. You can also email Norma at naguilar@dist113.org to obtain another form. Thank you in advance for your assistance.

Sincerely,

Ali Mehanti
Superintendent of Finance
