August 5, 2019

Warrior Football Player and Parents:

I hope you have had a great summer with family and friends. It is time to show off the Outcomes of our Behaviors!

The first priority is to get a physical and complete the parent permission form online before August 12th (link is below). Without an updated physical and a parent permission form, you will not be able to practice. The Illinois High School Association states that a football player must practice 12 days before he is eligible to play in a game.

This season the program will be practicing together a significant amount of time. This will allow all the athletes in the program to get coaching from many different eyes while allowing them to practice at their appropriate level. All players will follow the same practice times listed below. We will have a Varsity/JV team and a Freshmen/Sophomore team. Seniors and juniors will be on the V/JV, incoming freshman will be on the F/S, sophomores will be placed on the V/JV or F/S as deemed appropriate for the individual and the program. The F/S will play the preliminary game on Friday night before the varsity game (the expectation is that the F/S team will stay to watch the Varsity game), and the JV game will be Saturday mornings. Make sure you follow us on Twitter; @Deerfield_FB , this is where you will find communications, updates, and highlights from Warrior Football. Click here for the [Deerfield Athletics website](#) , the location for any schedule changes and event information.

The Deerfield Football Parents' Club will continue to organize events for Warrior Football including pre-season camp lunches, Family BBQ, pregame team dinners, Friday night pregame snacks, and Saturday pregame/practice breakfast. You will receive a separate email detailing the costs for these and other team events from the Football Parent Coordinator, Laura Ward. You will also be provided with instructions for paying the related fees on the new Football Parents' Club website www.dhsfootballfamily.com I'm looking forward to seeing you Monday!

Sincerely,

Steve Winiacki
