### COLLEGE FAIRS

College Fairs are a wonderful way to get basic information about a variety of schools quickly and easily. Attendees have the opportunity to pick up brochures and ask questions about admissions, financial aid and scholarships, academics, and campus life. Most college fairs are staffed by professional admission staff, but a college or university may utilize an alumni representative. **Information about the colleges represented at each fair can be obtained by contacting the host institution.**

**AREA COLLEGE FAIRS (should be attended by students & parents) - Please contact the institutions hosting the event for additional information**
