

# Giants Softball

## Philosophy

Being a member of the Highland Park High School Softball Program is an honor and a privilege empowered to a selected few. We expect our athletes to be good examples of our program on the field, in the classroom, and in the Highland Park community.

We, as a coaching staff, will promote hard work and pride in what we do on a daily basis and we expect the same from our athletes.

Together, in a joint effort, we will continue to build a competitive program for our athletes to develop to their fullest potential.
