## Principal's Message

Dear DHS Staff, Students, and Families,

I hope you had a safe and enjoyable break!

We are now in the homestretch of the first semester. We have just three weeks until the end of the semester. Over the next few days, teachers will be sharing with students what to expect, especially during their final class the week of December 14-17. (Recall that the final week of the semester is not a traditional final exam week.)

As we wrap up the semester, please be reminded of the additional academic support available through the ARC. Our ARC staff are available to support students throughout the day for a variety of academic needs. Visit the [ARC webpage](#) for details on how to meet with our ARC staff members.

Stay safe! Be well!

Kathryn Anderson  
Principal

## School Chest

School Chest Raises \$155,138.81 for Fill a Heart 4 Kids!

Thank you to student council, school chest sponsors, and our entire school community for your contribution

and support of this year's charity drive beneficiary, Fill a Heart 4 Kids. Fill a Heart 4 Kids gives unaccompanied homeless youth, at risk, and foster children educational support, necessities and positive experiences to help their heart's heal and restore their dignity - so they can achieve Brighter Futures!

## Counseling Corner

### JUNIORS: Maia Workshop on Dec 1 & Postsecondary Options Evening Program Info

On Tuesday, **December 1st during lunch hour** (11:15am-12:15pm), the CCRC invites Juniors to attend a virtual student workshop to learn how to utilize Maia Learning. Maia Learning is a college and career readiness platform that engages students to find career passions, which leads to college major exploration and choosing college matches. Students are able to complete interest and learning style inventories, use college scattergrams to assess the likelihood of acceptance, keep track of their college lists and more.
