Dear DHS Staff, Students, and Families,

I am excited to welcome you back for the second semester of the 2020-21 school year! I hope you could relax during Winter Break and spend some time safely connecting with family and friends.

With the start of a new calendar year and a new semester, I am also hopeful for what our future holds. Of course, my greatest hope is that we will turn the tide of the pandemic. Yet, my optimism is also centered on how we will continue to build on this past semester. Over the past few months, even though we all craved the normalcy of a typical high school experience, each of us made creative changes and adjustments to make the best of a challenging situation. I know that we will start the second semester with the same approach - we will come together as a caring, supportive school community to support our students by any means possible. There is no doubt that this school year will be one that we talk about for a lifetime - let's create memories that speak to our extraordinary strength, compassion, and creativity at DHS. Thank you in advance for making this a memorable final semester of the school year!

As we jump back into things, here is a reminder of the remote learning bell schedule and the cycle days for the week of January 4-8:

Lastly, the New Year offers the opportunity to start anew. The start of the year is always a great time to try something new, to streamline, to simplify, and to organize. As such, beginning this Thursday, January 7, the DHS Principal's Weekly Newsletter will now arrive on Thursdays to provide you with some advance time to plan for the following week. In addition, the layout will present the information in an easy-to-scan, concise format highlighting news you can use and important dates, followed by some additional details on happenings in academics, student life, and student supports.

Kind regards,

Kathryn Anderson
