December 22, 2022

Dear Eighth Grade Families:

We are in the process of planning for the arrival of the Class of 2027. We are excited to begin the registration process with you in 2023.

**High School Registration Video:** On **Friday, January 13**, families will receive access to the High School Registration Video (35 minutes). This recorded webinar will serve as an important introduction to course offerings and the online registration process. By viewing the recorded webinar in advance of High School Preview Night, students and families will be prepared to ask informed questions when they meet with academic department chairs and teachers.

**High School Preview Night:** High School Preview Night, formerly known as 8th Grade Curriculum Night, will take place on **Wednesday, January 18**, starting at 6:30 p.m., in the Warrior Gym. High School Preview Night is an in-person event which offers an opportunity for eighth graders and their parents/guardians to meet our high school leaders and teachers, explore the array of courses/extracurriculars/services available, chat with students to learn about the high school experience, and connect with parent/guardian organizations. School counselors will also be available to assist with questions regarding overall load. If you have questions regarding High School Preview Night, contact Joe Taylor, Assistant Principal, at [jtaylor@dist113.org](mailto:jtaylor@dist113.org).

**Course Placement:** Placement in Mathematics, Science and English will be determined by reviewing standardized test results. When course registration opens on January 18, families will be able to view locked course placements (standard/honors) as well as request electives. Families will receive information regarding the registration process by viewing the High School Registration Video and attending High School Preview Night.

**Health Forms:** Health forms should be returned to Deerfield High School Health Services no later than May 1, 2023. Health forms will be emailed to families and will be found on the [DHS Health Services Website](#) in January. Please email [dhshealthservices@dist113.org](mailto:dhshealthservices@dist113.org) if you have questions regarding health forms.
