Our child has our permission to practice and compete in the Student Activities program known as Fencing. All physical activity, including Fencing, involves the potential for injury, and on rare occasions a severe injury or even death may occur. District 113 advises all students to be adequately covered by hospitalization insurance. Parent's signature on this form indicates acknowledgement of the risk inherent in physical activity. Parent's signature indicates that parent will accept financial responsibility in case of injury in connection with these activities. Parent's signature also indicates that the student has had a physical exam since March 2023 and has a Doctor's approval to engage in physical activity.

The District 113 Extracurricular Code acts to supplement, not to supplant, the District 113 school disciplinary action if he or she commits any of the following violations:

1. Theft or vandalism of any school property, unsportsmanlike conduct, sexual harrasment or any behavior inappropriate for a student.
2. Use, transfer, sale, distribution, or possession of tobacco, alcohol, marijuana, steroids, any other illicit drugs or related paraphernalia, or the abuse of prescription/non-prescription drugs.
