3. Each individual student's account will be credited with 50% of the profits, with the other 50% going to band, orchestra or choir accounts. This is a NEW fundraiser & one unlike many already done here at DHS. You'll have to work a little harder than citrus to get the word out but new things can be great opportunities to earn money for trips and activities.
4. Print your customer's name, address and phone number **clearly** on the order form. Carefully fill out the order form indicating the quantity of each product ordered and the total amount collected. You will get this form back when you pick up your mums.
5. When making the sale, inform your customer that customers WILL pick up mums at the high school. Pick up will be Wednesday, September 25th after busses have cleared out after school. Exact times for pick up will be announced after all orders have been taken.
6. Collect total amount at the time of the sale. Make checks payable to **Deerfield High School**. Turn in checks only (NO CASH). Turn in the order form with the money in the envelope provided to your director. Put your name on it.
7. Delivery will be Wednesday, Sept. 25 during the school day. As students are not delivering the flowers, all students are expected to take a shift that afternoon to assist with pick up.

GOOD LUCK WITH YOUR SALES!!!
