Thanks to the generous support of our members Friends of the Arts is able to enrich DHS Arts programs by:

- ★ Helping meet financial needs of students to pursue the arts
- ★ Helping bring in outside programming/instruction
- ★ Purchasing additional equipment and supplies not in the school budget, and more!!

The Fine Arts Department at DHS enriches the lives of many students and their families. In 2017-2018, over 700 families had at least one student enrolled in one or more Fine Arts class. Throughout the year, DHS presented over 25 shows and

exhibitions which not only enhanced classroom experiences, but also offered numerous extra-curricular opportunities for our students, as well as provided entertainment to our community.
