Absences and Tardiness

Absent:

If you will be absent for practice, please contact the head coach prior to that day's morning or afternoon practice (5:00a, or 3:00p). If you will be absent for a game please contact the head coach as soon as possible, and at the latest, same day before 3:00p.

Tardy:

If you are required by academics to stay late, please provide the head coach with a pass or permit signed by the teacher. School projects and homework are not excuses for tardiness. Each student must put school first and prepare adequately for each class on a daily basis, making sure they do not leave projects or school work till the last minute.

Unexcused Absences and Tardiness:

Missing practice without notifying the head coach will result in disciplinary actions; which will be determined by the coach. The following is a rough outline of what the repercussions expected:

The first unexcused absence will result in a non-starting position and depending on severity a full quarter. The second unexcused absence will result in sitting out a full game. The third unexcused absence will result in sitting out a full game and a meeting with the head coach regarding scheduling and organizing priorities. The head coach has every right to retire a player from their season if their punctuality is interfering with their teammate's ability to focus and achieve team goals.
