

March 12, 2013

Dear Parent/Guardian,

On the month of March, the Deerfield High School's Straight and Gay Alliance (SAGA) will be speaking to the freshman advisories. Members of SAGA will form a panel to tell their own stories in an effort to promote a respectful environment at DHS. Over the course of two days, participating students will miss the equivalent of a full day of school.

In preparation, the students will write down their stories and practice with the SAGA club and/or one of the sponsors. Your child's story is attached to the permission slip form. This is the story that would be shared with the freshman student audience during advisory. It may also be shared with an external audience, such as board members or Deerfield High School parents, who request further information about the panel. We encourage you to dialogue with your child regarding their story and the SAGA panels. If you have any questions, please feel free to contact me. Students will not be able to participate on the panels without a signed permission slip and a follow up contact with parents.

Sincerely,

Glorianne Hamm
