From: Amanda Brenner, DHS Special Education Chair

District 113 is dedicated to the success of all students. We acknowledge that not all students learn in the same manner and some students need accommodations to have equal opportunity for success. If your student has accommodations through the high school and wants to apply for similar accommodations on College Board Exams (PSAT, SAT, AP exams), please read the information below.

If your child has already been approved for accommodations through College Board, please disregard this message. If you are unsure, please contact Amanda Brenner (abrenner@dist113.org) or Suzanne Nice (snice@dist113.org).

If you would like to apply for accommodations, please complete the College Board application linked below and either print it and return to E125 or email the completed form to Amanda Brenner (abrenner@dist113.org) or Suzanne Nice (snice@dist113.org).

Once accommodations are approved by College Board, they will remain in effect for all future College Board exams. You should keep a copy of the approval letter and will need to provide the SSD number when registering online for future tests in order to be registered for accommodations. Please reference Deerfield High School's [DHS Testing Page](#) for general information regarding College Board and ACT exams.

If you have any questions, please contact your student's case manager or counselor directly. They will be able to answer questions about your individual student's needs most appropriately.
