Student Health Forms

Township High School District 113

Dear Parent or Guardian,

On behalf of Health Services, we would like to extend a warm welcome to you and your incoming student. The following documents are included in this packet:

1. State of Illinois Child Health Examination Form:

- Physical must be dated within one year of school start date.
- All immunizations must be up to date with the Illinois state requirements.
 - For religious or medical exemption documentation requirements please visit your school's health services website.
- **This is an Illinois State Requirement.** If we do not receive this form or if immunizations are noncompliant, your student will be subject to **exclusion from school on October 15th or within 30 days of enrollment.**

2. District 113 Emergency Information form.

- Important contact information in the event that a parent or guardian cannot be reached.

3. District 113 School Medication Authorization Form.

- This form must be completed each school year for medication to be dispensed by the school nurse for **all** medications, prescriptions and over-the-counter non-prescriptions.
- Students are **not** permitted to carry medication during the school day, **except inhalers, epi-pens, and diabetes medications.**
- All medication must be dropped off by a parent in the original prescription bottle.
- Make an appointment for any medication drop off with the health office.
- Parent/Guardian and physician signature are required.
- See Procedure for Medication administration for more information.

4. Emergency Action Plans

- If your student has a life-threatening allergy or chronic health condition that could potentially require emergency care, please complete and submit the appropriate emergency action plan. Plans can be found on the Health Services Web Pages.
