

Opt Out

As is true with any content in any course at DHS, parents may choose to exempt their child from any classroom activity in Freshman Advisory. Curriculum for Freshman Advisory and monthly calendars can be found on the Deerfield High School website. It is the parents' responsibility to notify the teacher of their desire for a student not to participate in any part of a particular unit of study. The teacher will then provide an alternative option to that particular unit. Board Policy 7210 is available on the district website: www.dist113.org.
