Learning Strategies Syllabus
2016

Welcome to Learning Strategies!
Learning Strategies is a course that will provide support to you throughout the year in all facets of your learning and time here at DHS. Your Case Manager (teacher) is the person who will provide you with direct support and assistance. He/She is also the person who will oversee your IEP and your progression toward completing your goals. Below you will find a list of expectations and targets that we will work together to accomplish during the course of the year.

Expectations:
* Arrive on time to your scheduled class.
* Bring materials necessary to complete work (books, paper, writing utensils)
* First Class behavior
* Not just time to finish homework...Mastery toward IEP goals will be a focus.
* Access supports throughout the building

Areas of focus:
* Self-awareness
* Self-advocacy and Communication Skills
* Goal Setting
* Self-monitoring
* Academic Achievement
* Executive Functioning Skills
* Transition Planning

Grading Scale
Learning Strategies is a Pass/Fail class. Students will receive a grade of “Pass” if they attend their scheduled class periods, engage in active learning, problem solving and demonstrate First Class behavior. Students will receive a grade of “Fail” if they do not demonstrate progress toward the aforementioned set of expectations.

Feedback
Case Managers will work with students on monitoring their progress in their courses and throughout the learning process. Students will be encouraged to take an active role to implement strategies in order to maximize their learning, increase problem-solving skills and increase their overall performance. Students and their Case Managers will work together to assess progress on an ongoing basis.

Communication
Emails/Phone Calls will be returned within 24 hours.
