MOST INTRicate CORN MAZE!

COVID-19 Protocols

We are committed to keeping your family, our family, and our employees safe.

There remains an inherent and elevated risk of exposure to COVID-19 in any public place where people are present, and we cannot guarantee you will not be exposed. Regular sanitizing, access to sanitizer and hand washing, and daily health checks of our employees will continue.

We are not responsible for any injury, sickness, or damages as a result of entering or participating in any of the experiences on the farm. By voluntarily visiting our facility you assume all risks.

Our Promise

- We will continue to do our very best in safe sanitation with all our employees and staff.
- All staff will complete daily health screenings before starting work.
- We will regularly sanitize all restrooms and contact surfaces.
- Hand sanitizers or hand washing stations will be available throughout the grounds.
- Distancing will be established to help maintain social distances between groups of people.

Your Promise

- Wear masks inside all buildings and whenever you are not able to maintain social distances with people not in your immediate group.
- Wash and sanitize your hands regularly during your visit.
- Follow social distancing guidelines.
- If you have been exposed to COVID-19 within the past 14 days or have any symptoms of COVID-19 (including fever, cough, or shortness of breath) DO NOT ENTER our business.
- Any person with underlying medical condition or who are immune compromised should NOT ATTEND.

Be Safe. Be Responsible. Have Fun.

- Explore Our 2020 Maze -

Our theme is celebrating the 50th anniversary of Earth Day. The first Earth day was April 22, 1970 and mobilized 20 million Americans to take to the streets, parks, and college campuses to protest environmental ignorance and demand a new way forward to our planet. According to earthday.org, the first Earth Day is credited with launching the modern environmental movement and is now recognized as the planet's largest civic event.

Our design features the words "Earth Day – 50 yrs" in bold font across the top. Central in the design is our planet Earth cradled in the hands of a person signifying that we, collectively, need to love and care for our entire planet Earth.

Lower left has a frog as a symbol of our diverse animal life and the right side of the design features an outdoors scene with the sun shining above a mountain with a waterfall, lake, trees, plants and a stream flowing toward the entrance of our maze.

It is going to be spectacular!
