

Warriors Defeat Mustangs

The Deerfield Warriors girls soccer team continued its strong start to the season with a 2-0 victory over the Northside College Prep Mustangs at Adams Field on Saturday. The Warriors opened the scoring after 8 minutes on a play that began with a Molli Goodman throwin. Goodman threw the ball to Chloe Cappas, who laid the ball off for Enya Horgan to rifle in a left footed shot from inside the penalty area. Although the Warriors continued to dominate possession and shots, they were unable to add a second goal until Horgan passed to Margot Sylvan, who lofted a shot over the keeper from 20 yards with eight minutes remaining. Sari Eisen and Sarah Blumenfeld each made one save to share the shutout.
